[1]A professor at another university was giving students an "A" in his class if they gave him a good review on the website "Rate My Professor." When he was reported, admin called many of his former students and had them give statements about the bribes. None of the students were punished but the professor lost his job.

[2]Was put in FB Jail

[3]Inappropriate content got them suspended from facebook or insta

[4]My friend responded to a troll in a blunt manner and got kicked off of tinder.

[5]An individual on a sports team at my high school recorded their team bonding night and posted videos on social media. Parts of the video were misinterpreted by viewers due to lack of context. The team received a punishment from the school and had to attend a class on the dangers on social media held by an FBI representative.

[6]disability support group, neighborhood gifting group

[7]Yes, not following community guidelines and getting in trouble.

[8]my step-aunt had a 30 day ban from facebook for posting inflammatory and derogatory comments towards those who are not like her

[9]I've known people and friends, particularly sex workers, to get their pages suspended and shadow-banned for explicit content.

[10]deleted accounts for violating terms of service, typically in regard to calling out social injustice

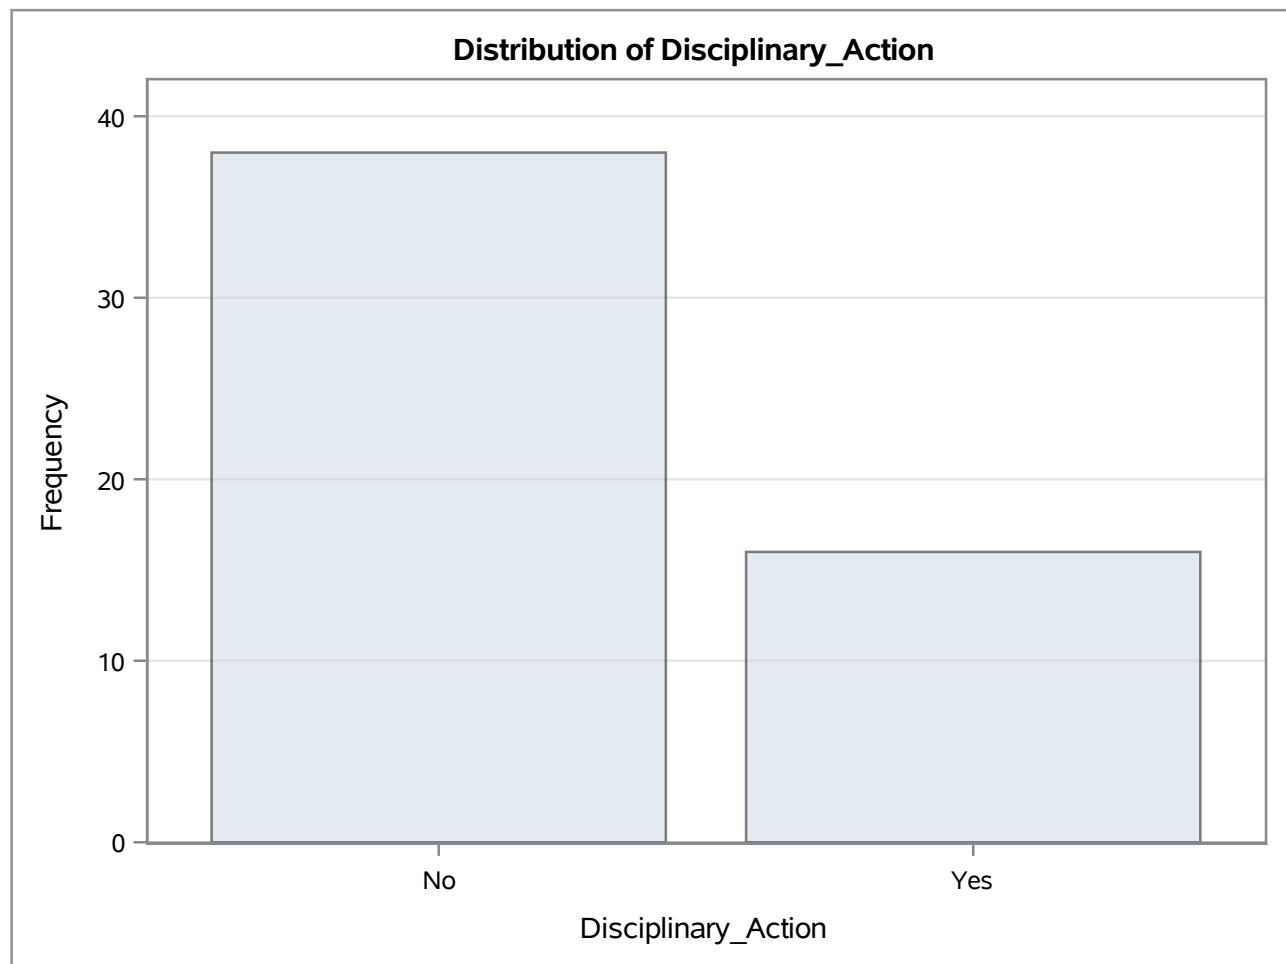

[11]Online harassment campaigns resulted in the arrest of a friend. The accusations rallied against them were fabrications, and the charges were soon cleared.

[12]trump, kicked off twitter

[13]Facebook jail (family member)
